**COUNSELLING TO PATIENTS**

The Doctors of Roko Cancer Campaign conduct counselling sessions at Roko Cancer Office in Civil Hospital for patients who come directly from various places where the detection camps are taking place. The Roko Cancer staff is also involved in informing and coordinating for patients for further investigations to bring them to Shillong on a specific date and these patients who require further investigations are then escorted by the Roko Cancer Staff to various hospitals for their respective investigations.

There will be a permanent camp every month at Civil Hospital, Shillong for Breast, Cervix and Oral Cancer prevention from 10am to 3pm. All beneficiaries from Meghalaya can avail this facility free of cost. Kindly contact: Roko Cancer Office, Room no. 19, Civil Hospital, Shillong, Mobile number 9856040302
